JEAN CRONES, FUGITIVE

CHEF, TAUNTS POLICE. Pencilled Note Dropped in Letter Box at Grand Central Station.

New York, Geb. 20 .- A note, purporting to have been writ-ten and dropped without envelope or stamp in a mail box at the Grand Central station here last night by Jean Prones, the fugitive chef, accused of having attempted to poison the guests at a dinner in honor of Archbishop Mundelein in Chicago, was received by the police today. The note said Crones was "sorry to be obliged to leave the city of New York for my safety's sake," but added: "You're really not clever at all. Your detectives are looking for me and no one can catch me."

The missive addressed to the "Chief aving attempted to poison the guests

The missive, addressed to the "Chief f Police, New York," said also that rones was at the Grand Central sta-on at 11.30 o'clock last night and oncluded with the sentence: "Thanks

r your kindness. It was midnight when the note was eccived at the post office. As it was without envelope or stamp, it at-tracted the attention of a clerk, who read it at once and turned it over to n inspector who communicated with

he police. Although the Grand Central station ad been under survellance several days, the police there declare they had not seen Crones or any one resembling im. They said, however, they had o doubt that Crones was the author

Crones has written several letters local ne spapers since escaping om Chicago, but this was the first mmunication the police had receiv ed direct. Extra precautions were taken today to guard Royan Cathoc churches. The police also are ceping close watch on all avenues of ommunication leaving the city in the ope of thwarting any plan of rones to leave here.

Ansonia Strike

VARIOUS CONFERENCES HELD WITHOUT DEFINITE RESULTS

POLICE STILL VIGILANT

Young Grohol Over the Men is Waning-General Committee Intends to Picket the Mill Property Today

Ansonia, Conn., Feb. 20. - Variou conferences of the striking employes of the American Brass company were held here today but no definite results looking toward a settlement were ob tained. The Italian laborers, who are said to have deserted the main body of strikers, did not meet as had been arranged. The strikers' committee, composed of delegates from ten nationalities and headed by Joseph M. Grohol, had secret meetings and no news was obtainable, it being said that the men had pledged absolute se-

The general committee intends ticket the mill property early tomor row morning to prevent any of the strikers from returning to work. The city authorities, hearing of the contemplated action, advised the company not to resume operations,

Police Remain Vigilant.

While there was no disorder to-day and the situation was outwardly quiet, the police did not relinquish their vigilence and tonight 100 special officers patrolled the mill property. A report gained credence during the day that two cases of small arms had been secretly shipped here to the strikers. The chief of police denied knowledge of the rumor, but other officials admitted that an investigation was be

Grohol Continues Chief Figure. While Grohol continues to be the chief figure among the strikers, it i reported that his influence over the men is waning. The police are confident that there will be no disorder, so long as he remains in charge, but grave fears are expressed for safety of property, should t men get beyond his control. should the Grohol warned the strikers not to cor gregate in bodies on the streets.

A meeting of one woman and men, who were said to be representa tives of the North American Civic League for Emigrants, was held to tasday in a hotel, Seraphim G. Sanor tas of Boston, said the object of th meeting was to counsel the Gree

strikers to preserve law and order. Another Conference Today. A. S. Brown, manager of one of the lls, said tonight that another con ference will be held with the strikers tomorrow. The company is still determined not to grant the principal demands of the men, he said. Mr. Brown is of the opinion that the mills will not reopen until after Wednesday of this week. Wednesday is pay day and the strikers, who have a few days with an increase of 2 1-2 cents an hour, as previously announced. believes that after the men find the extra pay in their envelopes many of them will be willing to return
